Dear Parents,

Thank you for sharing your children with us! We are excited to offer to you outstanding children/youth programs. These programs are intended to provide a wonderful opportunity for children to learn about God, enjoy their friends, and grow spiritually and emotionally.

To accomplish these goals we are committed to providing a safe, disciplined atmosphere. We believe, however, that this also requires a commitment from you and your child. We can achieve a safe, disciplined atmosphere only in partnership with you as a concerned parent and with the cooperation of your child.

Therefore, we ask you to:

- review with your child the following “**Zero Tolerance Standards**”
- complete, sign, and return the registration form

## **Zero Tolerance Standards**

Children involved in any of the following behaviors face immediate removal from children / youth programs with no refund if applicable.

1. Fighting [even “play” fighting]
2. Behavior that endangers themselves or others
3. Disrespect to leaders/volunteers
4. Failure to follow instructions

Thank you for your cooperation and participation.
